EdiZONE, LLC, plaintiff, hereby alleges and claims against Defendants, Comfort Products, Inc., Wal-Mart Stores, Inc., and Does 1 – 50, as follows:

PARTIES, JURISDICTION & VENUE

1. Plaintiff, EdiZONE, LLC, is a Delaware limited liability company with its principle place of business in Alpine, Utah (hereafter “EdiZONE”). EdiZONE is the current owner of certain patents referenced below.

2. On information and belief, EdiZONE believes the following as to each of the Defendants:

a. Defendant Comfort Products, Inc. (hereafter “COMFORT”) is a Tennessee corporation who sells and distributes various products throughout the United States of America, including in the State of Utah. COMFORT’s principle place of business is in Memphis, Tennessee;

b. Defendant Wal-Mart Stores, Inc. (hereafter “WAL-MART”) is a Delaware corporation who sells products through retail stores throughout the United States of America, including in the State of Utah. WAL-MART’s principle place of business is in Bentonville, Arkansas; and

c. Defendants Does 1 – 50 are entities who have infringed, or individuals who are principals causing other Defendants to infringe, are individuals or entities who have contributed to or induced other Defendants to infringe or who are otherwise liable to EdiZONE for infringement, and leave will be sought hereafter to bring them into this action as deemed necessary or appropriate and/or their identities become known.

3. On information and belief, Defendants conduct business in the State of Utah and/or otherwise have substantial contacts with Utah and avail themselves of the benefits and protections of Utah law by shipping, distributing and/or selling products in the stream of commerce with the intent that they are sold to consumers within the State of Utah. WAL-MART operates retail stores in the State of Utah. Each Defendant has committed patent infringement within the State of Utah in violation of the laws of the United States of America.

4. This Court has personal jurisdiction over the Defendants.

5. Subject matter jurisdiction and venue are founded upon 28 U.S.C. § 1331, 1338(a), 1391 and 1400(b).

GENERAL ALLEGATIONS

6. Defendants are either making, having made, using and/or selling, or with actual or constructive knowledge are inducing other Defendants to make, use or sell, within the United States of America a Gel Seat Cushion (the “PRODUCT”) that is being sold and/or has been sold to consumers through certain of WAL-MART’s retail stores, including stores within the State of Utah, and through other retailers of the PRODUCT elsewhere in the United States of America, or they are selling or importing into the United States of America a gel component of the PRODUCT with knowledge that the component is especially designed for use in the PRODUCT and is not a staple article of commerce suitable for substantial uses other than in the Product.

7. Upon information and belief, after receiving notice that the PRODUCT infringes upon the patents owned by EdiZONE, and before service of this Amended Complaint, Defendants have refused to cease and desist their unlawful conduct and/or have refused to pay to EdiZONE fair compensation for all past, present and future use of the intellectual property owned by EdiZONE.

8. EdiZONE is forced by Defendants’ conduct to seek protection of its patents and appropriate compensation from the Defendants.
